

## CATV DC Power Supply

### MODEL

**1** SGL-P-2A-MS BODY

- > Input Voltage 100 to 280 V. AC
- > Output Voltage : 32V. DC 2 amp.

### MODEL

**1** SGL-P-2A-PLASTIC BODY

- > Input Voltage 100 to 280 V. AC
- > Output Voltage : 32V. DC 2 amp.

### MODEL

**1** SGL-P-1A-PLASTIC BODY

- > Input Voltage 30 to 100 V. AC
- > Output Voltage : 5/7.5/9/12v. dc 1 amp.

## Features & Technical Specification

### FEATURES

- > High Performance SMPS Power Supply
- > Input And Output Protection, Lightning Surge Protection
- > Current Limited Output and Short-circuit Protection
- > Powder Coated MS Body and ABS Plastic Body
- > Cable Mount Installation
- > Application for DC Node
- > Continuous Current Indication
- > Output Ports for East Distribution

### TECHNICAL SPECIFICATION

- > 5/8 Female Output Connections
- > Freq. 5 ~ 860 MHz
